Wicken Green Report

Representatives from Wicken Green gave their report. The report included their concerns regarding a planning application that had been made with regard to three developments, Planning Application Number 152/19/0824

- Site 1 – Convenience store and flat above in Cherrywood Avenue
- Site 2 – 2 Bungalows in Chestnut Avenue
- Site 3 – 6 houses and 12 garages at the top end of Ambleside on the green

Wicken Green Management Committee representatives raised their concern that if these developments were allowed to go ahead it may be of benefit to Roger Gawn, business owner at Tattersett Business Park. They were also concerned that the developments would be unsuitable for the area and that the local roads would not stand up to the construction traffic.

The application is not currently open to comment, but the representatives requested that the Parish Council should be diligent when any such application became open for comment.

Report from County Cllr Tom FitzPatrick

Cllr FitzPatrick reported on

- The launch of Together for Norfolk
- New school places for children with autism

- Fighting scams in Norfolk
- New reuse shops at council recycling centres
- A carer's scheme for Norfolk
- **The Fourwinds Junction**

Cllr FitzPatrick reported that he had a site meeting with Keith Simpson MP, together with Michael Chenery the County Cllr for Docking Division and Tom McCabe, Head of Paid Service at the County Council. The problems with the junction were explained and Keith Simpson agreed to write to the Secretary of State to ask for funding. Sir Henry Bellingham has also agreed to write in support.

5. **The meeting reconvened by the Chairman at approximately 7.45 pm.**

6. **To approve the minutes of the meeting held on Monday 13th May 2019**

The minutes were **AGREED** by the Council and signed by the Chairman as a true record.

7. **Matters arising from the minutes of the meeting held on Monday 13th May 2019**

All matters were covered on the agenda.

8. **Report from Wicken Green Village Management Committee**

This was dealt with under item 4

9. **Speeding through The Parish.**

There was no news as yet with regard to the funding for the white gates that Linda Arthur has applied for, although this had been followed up. Highways confirmed that the funding and application had been received, but there is a waiting list for the work to be carried out.

The Chairman expressed his disappointment at the extended wait and asked the Clerk to email Highways to inform them of this.

10. **Primary School Signage and 20mph speed limit**

There was no further progress.

11. **Fourwinds Junction**

This had been dealt with earlier in the meeting with Cllr Fitzpatrick.

12. **Co-Option of New Councillor(s)**

Kieran Evennett was present at the meeting and agreed to join the Council. There is now only one vacancy.

13. **Houses on Sterling Road**

There was no progress, but Sharon McKendrick agreed to follow this up with NNDC.

14. Tyre Mountain, Tattersett Business Park

There was no update on this matter. There was a discussion about the electricity supply to the Green Park Centre, which had been cut off by Roger Gawnt. Power was currently being provided by the use of a rented generator being funded by parishioners. Arranging for a new supply would be at an unaffordable cost. An alternative might be to purchase a generator, although this would have ongoing extra costs. The committee asked the Clerk to look into funding possibilities.

15. Defibrillator

Trish Hartley-Palmer had been dealing with this but had sent an email to say that she was waiting for someone to come back to her from the ambulance service.

16. Dog Waste Bins**The Vice Chairman took charge of the meeting for this agenda item**

The subject of dog waste was discussed at length. The benefits and disadvantages of bins versus educational signage and letters to parishioners were considered. In the short term it was agreed that an educational leaflet drop, accompanied by laminated posters in areas with greatest dog walking traffic would be the best way forward.
