7. Fourwinds Junction

MW asked TFP about the broken keep left signpost at the approach to the junction with the A148. PN mentioned that the A148 to Coxford is overgrown. TFP said this was out of his area but would bring the matter up with the appropriate Councillor.

8. Co-Option of new Councillor(s) 11 seats in total to be filled for a full Council (5 Currently Available)

No new Councillors have come forward.

9. Tyre Mountain, Tattersett Business Park, update.

There has been no change to the tyre mountain. TFP advised to contact Nigel Housden and the planning officer concerned with the Tattersett Business Park planning application. The Clerk confirmed that this had already been done but that no reply had been received. TFP asked if anyone from the PC had attended the scheduled planning meeting for this case. The Clerk confirmed that the PC had not been advised of any such meeting.

DA asked TFP what more the PC could do now that a formal planning application for the site will be made. TFP suggested that the Planning Officer should be asked to confirm the timescale. DA suggested that Rob Arguile should be contacted to indicate the PC's disappointment that they did not have the opportunity to comment due to lack of response from Planning. Also, to ask if he is the delegated officer and will the detailed planning application be dealt with by a planning officer or will it be delegated to Head of Planning.

DA said that, although planning for a film studio had been proposed this does not seem a viable project and that changes were possible to be made in future. He pointed out that it is the responsibility of the PC to stand up against any plans that are detrimental to the Parish.

10. Planning Matters

10.1 To receive results of applications

There were no new results. PN asked about Tattwood House. The Clerk looked it up online and confirmed that it is pending consideration as at 15th September 2025.
